***\*Any other objects that may cause a blockage\****

***\*FLUSHABLE WIPES ARE **NOT** FLUSHABLE\****

CAUTION: Kitchen garbage disposals do not keep grease/oil out of the plumbing system. In addition, you must **NEVER** introduce the following into any sewer:

|                              |                                |
|------------------------------|--------------------------------|
| *Explosives                  | *Strong chemicals              |
| *Flammable material          | *Gasoline                      |
| *Cooking fats, oils, greases | *Lubricating oil and/or grease |

**Reminder:** Jefferson Township Sewer Authority offers grinder pump repairs **at no additional cost** to customers **during regular business hours**. Repairs requested **outside of business hours** (including nights, weekends, and holidays) will incur a charge equal to the difference between the standard service rate and the applicable overtime or emergency rate.

Accounts **not in good standing** will be billed **in full** for any grinder pump repairs. Payment is due within 30 days to avoid legal action. Additionally, if your account is in good standing but the Authority discovers **any prohibited items** during a repair or pump replacement, you will be charged the **full cost** of the repair.

Thank you,
